THOMAS H. VANN earns CEP®

### NEWS RELEASE

The National Institute of Certified Estate Planners (NICEP) is pleased to announce the graduation of Thomas H. Vann from the Certified Estate Planner™ course. Mr. Vann has successfully completed the advanced course work and qualifying examination to earn the professional designation CEP®.

NICEP exists to educate, promote, and support financial, legal, and tax professionals who understand the needs of estate planning, enabling them to work either alone or with other like minded professionals, with the goal of bringing to every client a custom tailored estate plan designed not only to preserve, protect, and pass on their wealth in the most efficient manner available under the law, but permits each client to control their estate during their lifetime even should they become incapacitated.

We further believe every man and woman in America deserves to have an estate plan that allows them to pass on what they want, to whom they want, when they want, and how they want, that further allows them to enjoy their latter years with the peace of mind that comes from knowing their estate will be managed during their lifetime as they have directed even should they become incapacitated, that is designed to avoid unnecessary fees, charges, and commissions, and that is provided to them at a reasonable cost.

Mr. Vann maintains an active status with NICEP by complying with the continuing education requirements and practice guidelines required to maintain this distinction, as well as abiding by the Institute's professional code of ethics. You will find Mr. Vann listed on NICEP website, which may be seen at <http://www.nicep.org> where those interested may learn more about estate planning.

NICEP is nationally recognized by many of the industries top Broker/Dealers, Insurance Companies, and numerous professional financial, legal and tax service organizations that are involved in the area of estate planning..

Mr. Vann can be reached at his office located in Houston, Texas at 713-787-2171 or visit his website at [www.thomasvann.com](http://www.thomasvann.com). We congratulate Mr. Vann for his achievement and commitment to excellence.
