

Dear Reader:

JUST ONE MISTAKE ON YOUR TAX RETURN CAN COST YOU BIG-TIME!

Yes, it's that time again. Tax season will shortly be upon us! As you may know, Scovan Financial Services is now offering tax services for our clients. Devan, our resident CPA, brings 10 years of experience and tax knowledge. She is committed to excellent service and to staying current with tax legislation and regulations to ensure you maximum use of every deduction to which you're entitled.

As your tax documents come in, please call our office to set up your appointment. We encourage you to get your returns prepared as early as possible. This helps to remove the tax burden from your back. And, with a lot of the information necessary to prepare your tax return already in our office, we can simplify the process for you.

We are excited to offer this new service and look forward to hearing from you! Thank you for your trust and business.

Sincerely,
