Investment Attitudes and Preferences

Please indicate whether you agree or disagree with the following statements.

Statement	Agree	Disagree
I am uncomfortable with any significant fluctuation in my portfolio.		
I monitor my investments frequently.		
It's important that my investments grow faster than inflation, even if my investments aren't 100% safe.		
I prefer mutual funds or exchange-traded funds to individual stocks or bonds.		
I prefer investing in large, stable companies.		
I would be uncomfortable if my investment income varied substantially from month to month.		
I feel comfortable with aggressive growth investments.		
I consider myself a risk taker.		
I would describe myself as a "buy and hold" investor.		
In my household, I am the sole decision-maker about investments.		
I prefer to invest more conservatively than my spouse/partner.		
I feel comfortable using leverage when investing.		
My family has no difficulty maintaining a financial cushion for emergencies.		
I am optimistic about the world economy.		
I use dollar-cost averaging (regularly investing equal amounts of money in a single investment).
