McNellis & Asato, Ltd., receives the Department of Defense Pro Patria Award

Bloomington advisory firm provides extraordinary support to employees serving in the Naval Reserves

Bloomington, Minnesota, (November 9, 2020) - McNellis & Asato, Ltd., an independent financial advisory practice associated with Raymond James Financial Services, Inc., was presented with the Pro Patria Award from the Department of Defense on October 22. Mr. Tom Simonet, State Chair for the Minnesota Employer Support of the Guard and Reserve (ESGR), announced the award in a virtual event.

ESGR’s Pro Patria Award is presented annually by each State Committee to one small, one large, and one public sector employer in their state or territory. Recipients have demonstrated the greatest support to Guard and Reserve employees through their leadership and practices, including adopting personnel policies that make it easier for employees to participate in the National Guard and Reserve. This is the highest-level award that may be bestowed by an ESGR State Committee. Employers who have been honored with the Above and Beyond Award, who have had at least one supervisor or other representative honored with a Patriot Award, and who have signed a Statement of Support are eligible for the Pro Patria Award.

ESGR, a Department of Defense office, develops and promotes employer support for Guard and Reserve service by advocating relevant initiatives, recognizing outstanding support, increasing awareness of applicable laws, and resolving conflict between employers and service members.
