## **RAYMOND JAMES INFORMATION SERVICES CASE STUDIES**

### March 2017 BISAM A Portfolio Company of AQUILINE CAPITAL PARTNERS LLC

**\$205 Million** Sale to

FACTSET

Raymond James acted as the exclusive financial advisor to BISAM Technologies in connection with this transaction.

#### **Transaction Overview**

• On March 20, 2017, BISAM Technologies ("BISAM" or the "Company") announced that it has been acquired by FactSet Research Systems Inc. ("FactSet") for \$205 million.

#### Company Background

- BISAM is an industry leader in performance measurement, attribution and multi-asset risk analytics to global asset and investment managers
- Marquee client base of the world's largest asset managers with demonstrable track-record of cross-sell and upsell success
- Geographically and financially diverse revenue base with >50% of revenue coming from outside the U.S., 80%+ recurring revenue model, 90%+ client retention rates and 5+ year average contract length
- Deep industry expertise and robust product development capabilities utilized to create market-leading software products
- Founded in 2000, BISAM is headquartered in Boston, MA with offices in New York, Paris, London, and Sofia
- Owned by Aquiline Capital Partners ("Aquiline") and management

#### **Raymond James Investment Banking Role**

- · Raymond James served as the exclusive financial advisor to BISAM in this transaction
- · Utilized potential for a broad auction process to drive expedited closing process and highly successful outcome

#### Successful Outcome

- The transaction was announced and closed on March 20, 2017
- FactSet, based in Norwalk, CT, is a leading provider of integrated financial information and analytical applications to the investment community
- The acquisition enables FactSet to enhance existing product offering with highly sophisticated, multi-asset analytics software solutions for global asset managers

#### **Transaction Overview**

 On January 17, 2017, Engage People Inc. ("Engage People" or the "Company") announced it has received a significant growth investment by Lovell Minnick Partners ("LMP"), an industry leading private equity firm with over \$1.7 billion in committed capital since its inception in 1999

#### Company Background

- · Innovative, market-leading solutions provider to the global loyalty and incentive industry
- Dynamic offers and content engine that provides the ability to target emails, banners and site content to drive engagement and ROI from members
- Scalable software-as-a-service platform featuring unique data analytics including real-time reporting, data warehousing and program member data compilation
- Blue chip clients include financial institutions, hotels, airlines, and telecommunications companies, which typically utilize a mix of products and services to drive consumer, channel and employee engagement
- · Headquartered in Toronto, the company has offices and employees in London, Rome, New York, Orlando and Sydney

#### **Raymond James Investment Banking Role**

- · Raymond James served as the exclusive financial advisor to Engage People in this transaction
- · Conducted a highly competitive and targeted financial sponsor investment process

#### Successful Outcome

- The transaction was announced on January 17, 2017
- The investment will support plans for growth at Engage, which will continue to be majority owned and operated by the current management team
- The transaction represents a premium outcome for Engage People's shareholders and management team

Has received a growth equity investment from

Raymond James acted as the exclusive financial advisor to Engage People in connection with this transaction.

## **RAYMOND JAMES INFORMATION SERVICES CASE STUDIES**

Raymond James acted as the exclusive financial advisor to Marquis in connection with this transaction.

#### **Transaction Overview**

• On September 29, 2016, Falfurrias Capital Partners announced that it had entered into a definitive agreement to purchase a majority interest in Marquis Software Solutions Inc. ("Marquis" or the "Company") for an undisclosed amount

#### Company Background

- Marquis is a pioneer and leader in unique data analytics software and services that help financial institutions primarily mid-tier banks and credit unions – identify marketing opportunities and monitor complex and ever-evolving compliance requirements
- Marquis provides to its clients expertise in data analytics, MCIF, CRM, strategic consulting, profitability and direct marketing along with CRA, HMDA & Fair Lending compliance
- · Marquis partners with over 400 clients nationwide to realize provable results with its software, services and consulting
- Founded in 1987 by Les Kassing and based in Plano, Texas, Marquis has been managed since Kassing's retirement by his sons Jay, John, Jud and Jeff

#### **Raymond James Investment Banking Role**

· Raymond James served as the exclusive financial advisor to Marquis in this transaction

#### Successful Outcome

- The Company ultimately consummated a transaction with Falfurrias, announced on September 29, 2016
- The transaction produced favorable results for Marquis' shareholders in addition to achieving liquidity, one of the brothers desired to remain in a management position under Falfurrias' ownership while the other three will exit the business entirely

#### September 2016

### REDVISION

Sale to

Raymond James acted as the exclusive financial advisor to RedVision in connection with this transaction.

#### **Transaction Overview**

• On September 6, 2016, RedVision Systems, Inc. ("RedVision" or the "Company") announced it had entered into a definitive agreement to be acquired by First American Financial Corporation (NYSE:FAF)

#### **Company Background**

- RedVision is the largest independent national provider of title and real property research and title evidence solutions, including data, technology and managed services focused on the procurement and processing of title information
- The company is recognized throughout the industry for its proprietary technology, which includes its production platform, TitleVision<sup>2</sup>, and Nova®, which offers a customizable and scalable solution for title research and production
- Since 2006, RedVision has delivered more than 7.5 million title reports to 1,600+ client organizations, including financial institutions, title underwriters, settlement service providers, national agents, local agents, lenders, attorneys and foreclosure/default processing firms
- · Founded in 2001; headquartered in Parsippany, NJ

#### Raymond James Investment Banking Role

• Raymond James served as the exclusive financial advisor to RedVision in this transaction

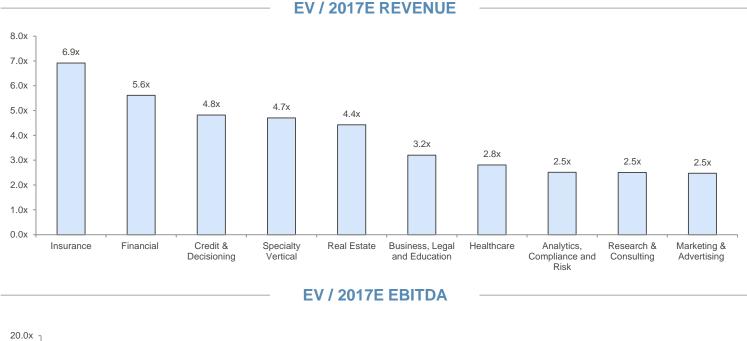

#### Successful Outcome

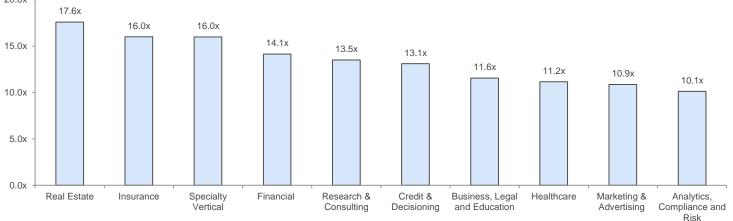

- The transaction closed on September 20, 2016
- RedVision's brand and management team will operate as a business unit of FAF's Data and Mortgage Solutions division
- RedVision's data, technology and services complement First American's existing title search and title evidence production and will further expand First American's industry-leading position in title and property data
- The acquisition will allow First American's Data Trace group to leverage RedVision data to quickly and efficiently build additional title plants
