

Your Raymond James accounts – at your fingertips

Managing your money just got easier thanks to convenient technology available through the Client Access app.

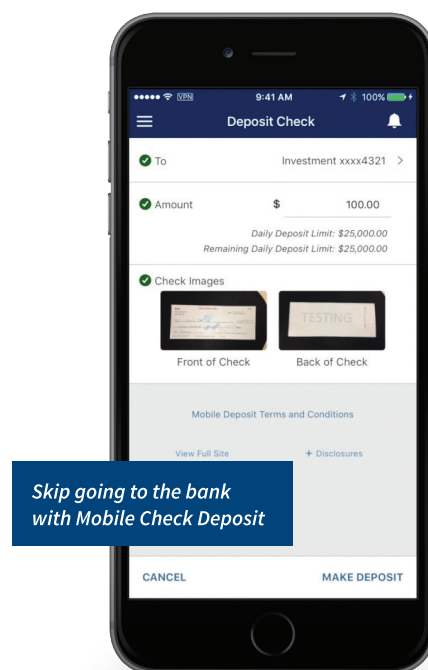

A Capital Access account with Raymond James lets you simply and flexibly manage your finances – with the touch of a finger.

Bringing your cash management and investment accounts all under one roof gives you a comprehensive view of your financial picture. From there, the Client Access mobile app puts an array of mobile services at your fingertips.

The Client Access app features convenient technologies that enable you to:

- View account information on the go
- Pay bills and set up automatic payments with Bill Pay
- Skip going to the bank with Mobile Check Deposit
- Transfer money from one Raymond James account to another
- Purchase items with your Visa debit card through mobile wallet, including Apple Pay, Google Pay and Samsung Pay

Accepted worldwide, our Raymond James credit cards are mobile-wallet enabled, and accounts can be viewed through the Client Access app, giving you the purchasing freedom you need, the financial control you want and the generous rewards you deserve with every use.
