

Raymond James Third-Party Research Material Conflict of Interest Disclosures for CGS-CIMB

This material disclosure page refers to third-party research prepared for and distributed in the U.S. by Raymond James & Associates, Inc. (RJA) pursuant to an arrangement between RJA and CGS-CIMB Securities International Pte. Ltd. (CGS-CIMB). CGS-CIMB is not an affiliate of RJA. The third-party research reports are distributed solely to persons who qualify as "U.S. Institutional Investors" or as "Major U.S. Institutional Investors" as defined in Rule 15a-6 under the Securities and Exchange Act of 1934, as amended. Those communications are only for U.S. Institutional Investors or Major U.S. Institutional Investor whose ordinary business activities involve investing in shares, bonds, and associated securities and/or derivative securities and who have professional experience in such investments. Any person who is not a U.S. Institutional Investor or Major U.S. Institutional Investor must not rely on those communications. The delivery of those third-party research reports to any person in the U.S. is not a recommendation to effect any transactions in the securities discussed therein, or an endorsement of any opinion expressed therein. If you are receiving those reports in the U.S. from RJA, a FINRA/SIPC member, it takes responsibility for the content of those reports. For further information or to place an order in any of the securities mentioned in those third-party research reports, please contact a registered representative of CGS-CIMB Securities (USA) Inc. or RJA. Set forth below are certain required disclosure related to the company(ies) covered in the third-party research reports previously provided:

If the member or any of its affiliates:

Company	Bloomberg Symbol	managed or co-managed a public offering of securities for the subject company in the past 12 months:	received compensation for investment banking services from the subject company in the past 12 months:	expects to receive or intends to seek compensation for investment banking services from the subject company in the next three months:	beneficially own 1% or more of any class of common equity securities of the subject company:	If the member was making a market in the securities of the subject company at the time of publication or distribution of the research report:	If any other material conflict of interest of the research analyst or member that the research analyst or an associated person of the member with the ability to influence the content of a research report knows or has reason to know at the time of the publication or distribution of a research report:
