Most People Claim Social Security Too Soon: When should you claim Social Security? The advice is generally to delay as long as possible. But according to a report issued today by the Government Accountability Office (GAO), middle-income retirees are much less likely than wealthy ones to take that advice. [Read More](#)

Great Graduation Advice to Guide Your Future: College graduation season is upon us, and with it comes a new crop of commencement speeches. Their words are meant to inspire graduates, filling them with hope and spirit as they charge into the real world. But the speeches also often deliver practical guidance to better manage your money or build a career. Even if it's been a while since you donned a cap and gown, modern commencement speeches may offer valuable tips that you can apply toward starting a business, saving for retirement, or achieving other personal finance and career goals. 26 Secrets to Save on Travel: With airfares to Europe and Asia sky-high and high-seas breakdowns roiling the cruise industry, leisure travelers have plenty of reasons to put vacation plans on hold. But no need to restrain your wanderlust. [Read More](#)

Final Chance to Enter the Contest!

The screenshot shows the Chapel & Collins website with a contest question. The question asks: "Have you ever wondered: Am I saving enough to meet my retirement objectives? Will I have the retirement I'd hoped for? Will my children have the financial opportunity to continue their education? Is my estate plan consistent with my current goals?" Below the question are four newsletter options: "Wealth Management Update", "Financial Journeys", "Successful Women", and "Small Business Dimensions".

Here is the 3rd and final question in our three part contest series. If you missed the first two, see below. Here's how the contest works: answer 1 question correctly about our website for three months and you'll be entered to win a gift card of your choice!
